MOTION FOR ADJOURNMENT

Dispensing with the services of Mysore Military personnel transferred to the Centre.

Mr. SPEAKER (The Hon'ble Sri V. Venkatappa).—Janab Mohamed Imam has given notice of an adjournment motion as follows :—

"That this House do stand adjourned to discuss a matter of urgent public importance and of recent occurrence namely the dispensing with the services of about 2,000 Mysore Military personnel including officers and other rank and file and the omission of the Government of Mysore to take necessary steps to safeguard their interest."

As the House is aware, this subject came up for discussion in one form or other during the last Session. In order to entitle any subject precedence over the appointed business, it must be urgent and of recent occurrence. It is difficult to say that this subject is a matter of recent occurrence or of such urgency as to entitle it to such precedence.

Secondly, Hon'ble Members would have an opportunity, if they so desire, to debate this very subject when the Address of Thanks on the Rajpramukh's Address comes up before the House in the course of the day. In such a case where an ordinary parliamentary opportunity will occur shortly, an adjournment motion cannot be admitted.

On these grounds, I rule the adjournment motion as out of order.

Now, the House will adjourn for half an hour.

The Assembly adjourned for lunch at Thirty Minutes past Three of the Clock and re-assembled at Four of the Clock. Mr. Speaker (The Honb'le Sri V. Venkatappa) in the Chair.

Mushir-ul-Mulk J. MOHAMED IMAM (Chitaldrug *cum* Tumkur—Muslim.)—I seek the permission of the Chair to state that we have not yet received copies of the new Bills that are going to be introduced.

Mr. SPEAKER (The Hon'ble Sri V. Venkatappa).—Copies of Bills will be distributed after their introduction.

SECRETARY'S REPORT.

Assent to Acts by His Highness the Maharaja.

The SECRETARY to the Assembly.—Sir, I have the honour to report that the following Acts received the assent of His Highness the Maharaja on the dates specified against them:—
